Dear FOIA Officer:

Under the provisions of the Freedom of Information Act 5 U.S.C. 552  
requesting access to your agency's files concerning the proposed land  
fill site at 11th and the proposed landfill there. I am especially interested  
in a copy of the study on the timelines and proposed landfill done by John  
and Tom for the Missouri Department of Natural Resources, a copy of the con-  
tract with them, our Air Quality Laboratory and any follow up con-  
cerning those studies. I am also requesting any further analyses on either  
the 11th street填埋地 or the proposed landfill site.

Our law that act permits you to reduce or waive the fees when the  
use of the information is considered to primarily benefitting the  
public. I believe that this request fits that category and I therefore ask  
that you waive any fees.

If all or any part of this request is denied please cite the specific  
exception which you think justifies your refusal to release the information  
and inform me of your agency's administrative appeal procedures available  
to me under the law.

I would appreciate you handling this request as quickly as possible and  
I look forward to hearing from you within 10 working days as the last  
update.

Sincerely,

Bruce A. Anchley
